## New Elevator Permit and Posting Requirement

Effective September 10, 2007 all new permits must be posted in public view until work has been completed and signed off. This new permit and requirement aims to improve transparency and standardize elevator permits.

Additionally, if your building has one or more elevators and/or escalators you must get them inspected by September 15, 2007 and file an inspection report with the Department of Buildings by October 1, 2007.

If you have any questions regarding this new requirement, please contact the Elevators Division of the Department of Buildings at (212) 566-4856.

Visit their website [www.nyc.gov/buildings](http://www.nyc.gov/buildings) for more information.
